**QUALIFICATIONS and CONDITIONS FOR THE AVAILMENT OF RESIDENTIAL SENIOR  
CITIZENS' DISCOUNT**

(ERC Resolution No. 23, Series of 2010)

- 1 The monthly residential consumption must not exceed one hundred (100) kWh of electricity. Residential senior citizen customers whose consumption shall exceed 100 kWh limit during any month are not entitled to the senior citizen discount during the month when they exceeded the said limit.
- 2 The kilowatt-hour meter of the residing must have been registered in his / her name for a period of not less than one (1) year.
- 3 The grant of senior citizen discount shall apply per household regardless of the number of senior citizens residing therein.
- 4 The senior citizen should apply for the senior citizen discount personally or through an authorized representative.
- 5 For residential senior citizen customers with multiple electric service contracts with the DU registered in one name, said customer can only avail of the senior citizen discount for the place where he / she actually resides.
- 6 Senior citizen end-users availing of the senior citizen discount shall renew annually their application with the DU to ensure that they are still eligible for the said benefits and/or are still existent at the time of renewal.
- 7 The senior citizen discount shall be applied on the basic generation, transmission, system loss, distribution, supply, metering, lifeline discount and loan condonation on the consumer bill of senior citizen end-users.
- 8 All other bill charges (such as interclass cross subsidy, franchise taxes, universal charges, members' contribution on capital expenditures (MCC), all confirmed over/under recoveries in all the other adjustment mechanisms mandated by the ERC, and any future bill component that may be approved by the ERC) are not subject to senior citizen discount.
